

EXPORT NOW

Small businesses in southern Illinois are invited to take a strategic look at the world and create a plan to expand their business internationally with guidance from industry leaders.

How does it work?

- Take part in workshops and presentations given by industry leaders that will guide you to a strategic plan
- Learn about the world and where there may be opportunities for your company
- Gain insight into the processes and requirements of international business
- Create a customized strategy and have it reviewed by industry experts

Join us for virtual training! See back for more details!
