WE'RE HIRING
INTERNSHIPS AND FULL-TIME OPPORTUNITIES

Hampton, Lenzini and Renwick, Inc. is an employee-owned professional services firm, originating in Illinois, specializing in high-quality transportation engineering, environmental, and surveying services.

For over five decades since 1965, our team of engineers, environmental specialists, surveyors, and technicians have gained extensive experience working on a diverse range of projects from conception and planning to implementation. Our reputation is built on our commitment to providing personalized client service, exceptional project management, and our dedication to realizing our clients' vision through our "your work is our work" philosophy.

Our culture, values, and sense of community form the foundation of our organization and serve as a constant source of inspiration, motivating us to strive for continuous improvement every day.

AWARD-WINNING CULTURE

HLR is honored to consistently maintain our position as a top **A/E/C Employer of Choice**® by PSMJ Resources, Inc., the leading business management consultancy in the architecture and engineering industry worldwide. This award recognizes firms that have mastered workforce retention and productivity by achieving the highest level of employee engagement.
