

# APPLICATION FOR ADMISSION TO UPPER-DIVISION

## **Industrial, Mechanical, or Mechatronics and Robotics Engineering**

**(Application is for students ready to enter 300/400 level classes  
for Industrial, Mechanical, or Mechatronics and Robotics Engineering)**

- Complete the checklist on page 2. See current SIUE catalog for additional specific departmental minimum grade requirements and talk with your advisor.
- Mechanical and Mechatronics and Robotics Engineering requires a grade point average of 2.0 or better in ME 262, CE 240, CE 242, and ECE 210 (both original and repeat grades are computed in this grade point average)
- Mechanical and Mechatronics and Robotics Engineering requires a grade of C or better in ENG 101, ENG 102, ME 262, and CE 240 or their equivalent.
- Submit completed application to **Engineering Student Services, EB 2012** by the following dates:
  - For admission for **SPRING** semester, the Friday before Thanksgiving Break.
  - For admission for **SUMMER/FALL** semesters, the last Friday in April.
- Decisions are made after grades are posted for each semester. You will be notified of the decision via letter or an email to your SIUE account.
- **Department Academic Status/Retention Policy**
  - Maintain a cumulative grade point average of 2.0.
  - Maintain a term grade point average above 1.0 in any term.
  - Maintain a cumulative grade point average of at least 2.0 in all mathematics and science courses.
  - Maintain cumulative grade point average of at least a 2.0 in courses taught in the School of Engineering.
  - Maintain a cumulative grade point average of at least 2.0 in major courses numbered above 299.
  - Receive no more than two failure grades, incomplete, and/or withdrawals in any combination for a single course required in the major.

*This application is not to be confused with the Application for Admission to Southern Illinois University Edwardsville. Admission to the University must be obtained through the SIUE Office of Admissions.*

*This application is not to be confused with the application for graduation. Applications for Graduation are completed through the SIUE Office of the Registrar.*

# Industrial, Mechanical, or Mechatronics and Robotics Engineering APPLICATION FOR ADMISSION TO UPPER-DIVISION

## Checklist of Lower-Division (Pre-Engineering) Required Courses

1. Enter the letter grade you have obtained for each course. If you have repeated a course, enter all grades
2. If you have taken the equivalent course at another school, enter the grade you received. Transcripts for transferred grades must be received before upper-division approval.
