Southern Illinois University Edwardsville

Fact Book – 2015 Edition

January, 2015

To **Fact Book** Recipients:

This **Fact Book** provides current and historical data about Southern Illinois University Edwardsville, its students, alumni, faculty and staff, programs, and instruction. We hope this publication will serve as a helpful resource to answer your questions about the University.

The SIUE **Fact Book** can be accessed online at www.siu.edu/inrs/factbook, along with the **Fact Book Annex**, an extension of the **Fact Book** providing additional data and information from different time periods.

The Office of Institutional Research and Studies produces the **Fact Book**. Thank you to everyone who recommended changes and supplied information for this year's edition. Your input for this and future editions is invaluable. If you have any questions or comments, please contact Phillip M. Brown (phbrown@siue.edu) or Roberta Stanford (rstanfo@siue.edu) in the Office of Institutional Research and Studies at 618/650-3415.

Sincerely,

Julie A. Furst-Bowe

Southern Illinois University

President – SIU – Randy Dunn

Special Assistant for Academic Affairs – John Haller

Senior Vice President for Financial and Administrative Affairs and Board Treasurer – Duane Stucky

Interim General Counsel – Lucas D. Crater

Southern Illinois University is a multi-campus university comprising two institutions, Southern Illinois University Carbondale (SIUC), with a School of Medicine at Springfield and Southern Illinois University Edwardsville (SIUE), with a School of Dental Medicine at Alton and a center in East St. Louis. The University, with an annual operating budget of over \$897 million, enrolls nearly 32,000 students in programs from two-year technical curricula to Ph.D. programs in 32 fields including law, medicine, pharmacy, and dental medicine. SIU was chartered in 1869 as Southern Illinois Normal University, a teacher's college. In 1947, the name was changed to Southern Illinois University, reflecting the institution's academic and geographic expansion. SIU began offering off-campus academic courses in the metropolitan East St. Louis area in 1949, leading to the eventual development of a separate institution in Edwardsville.

A modern and comprehensive post-secondary educational institution, Southern Illinois University offers a broad range of academic programs that lead to associate, baccalaureate, master's, specialist's, and doctoral, including professional practice degrees.

The instructional, research, and service missions of the two constituent institutions reflect the needs of their respective geographic areas. The University also serves statewide, national, and international needs by offering educational activities in communities throughout the state and through research and training exchanges and world-wide student exchange programs.

A nine-member Board of Trustees, appointed by the Governor, governs Southern Illinois University and sets policy for the University in accordance with established missions and goals. In addition, per state statute, the Superintendent of Public Instruction, or his or her chief assistant for liaison with higher education when designated to serve in his or her place, serves as an ex-officio member of the board. The President of Southern Illinois University is chief executive officer, reporting to the Board of Trustees. The Chancellors of SIUE and SIUC report directly to the President and are responsible for the operation of their respective institutions.

Southern Illinois University Edwardsville

Chancellor – Julie Furst-Bowe

Provost & Vice Chancellor for Academic Affairs – Parviz Ansari

Vice Chancellor for Administration – Kenneth R. Neher

Vice Chancellor for University Advancement – Rachel C. Stack

Vice Chancellor for Student Affairs – Narbeth R. Emmanuel

Southern Illinois University Edwardsville traces its origin to a recommendation in 1956 by the Southwest Illinois Council for Higher Education. The Council was convinced that higher education facilities were needed in the Metro-East part of the greater St. Louis area. Council members hired consultants, whose reports documented that need, and appealed to Southern Illinois University, 100 miles south, to establish satellite campuses.

In 1957, SIU opened two “residence centers” in Alton and East St. Louis. The University expected to enroll 800 students. Nineteen hundred applied. By 1959, the number of students had doubled to 3800, greatly exceeding the physical facilities and demanding services faster than the University could develop and supply them.

A planning team investigated sites in the Metro-East counties and selected one just south of Edwardsville. In 1960, the Illinois legislature authorized a bond issue for construction of a new state university campus. Voter approval came in November 1960. After two and one-half years of planning, University officials and area residents attended ground-breaking ceremonies for the first permanent buildings.

In the fall of 1965, Southern Illinois University Edwardsville moved onto its new campus: 2660 acres of rolling land and woods dotted with lakes. Much of the land still retains its natural shape. The academic center was designed by the internationally known architectural firm of Hellmuth, Obata and Kassabaum of St. Louis. The brick, slate and granite of the modern

buildings complement the terrain and are softened by a carefully designed garden landscape that attracts visitors by its physical beauty. The campus has received several awards in recognition of the successful blend of the aesthetic and functional in a setting that enhances growth and development.

Today, SIUE is a major public university, offering a broad choice of degrees and programs ranging from career-oriented fields of study to traditional liberal arts. Here students have an opportunity to interact with outstanding teachers and scholars, as well as with other students from all parts of the United States and the world. They enjoy the excellent facilities of a new and growing campus, including extensive research laboratories, specialized equipment for professional preparation, and comfortable, spacious classrooms. In addition, academic services provide tutoring, testing, academic and career counseling, and other services designed to help students meet the demands of university life. At SIUE, students find comprehensive educational opportunities and a community in which individuals support each other in their search for knowledge and individual development.

While attending SIUE, students may choose to live on campus or at home. Academic scheduling is designed to accommodate individual student needs through the availability of weekday, evening, and weekend classes. In every format, SIUE students are assured quality instruction.

At SIUE, we believe that education is more than classroom learning. Campus activities present students with an ever-changing spectrum of cultural, social, service and recreational experiences designed to complement the academic program. Theater and dance productions, musical presentations, art collections, renowned speakers and artists, and the fine swimming, biking and other recreation offered by the University's 2660 acres make SIUE an exciting place. In addition, the campus is situated in a rural area with access to the resources of the metropolitan St. Louis area, located just 20 minutes away.

At SIUE more than 900 faculty members engage in instruction, research and public service. Though each of these activities enhances students' academic opportunities, it is through instruction that students benefit most directly. Eighty-one percent of the faculty possess terminal degrees earned at universities in the United States and abroad. In 2014, faculty and staff received 185 grants and contracts totaling \$39.9 million. The University emphasizes the instructional responsibilities of the faculty.

SIUE offers a broad range of quality educational experiences at affordable tuition rates, an architecturally distinguished campus, the tranquility of rural life, and access to the excitement of a major American city. All of these factors contribute to the quality of educational opportunities at SIUE and a fulfilling student experience.

Location

Southern Illinois University Edwardsville serves the most populous region of downstate Illinois. The campus is located in the eastern metropolitan St. Louis area; most SIUE students live and work in the industrial and agricultural counties of Metro-East. Interstate highways make the University convenient for those within a 60-mile radius, an area that includes 2,700,000 people.

St. Louis, 20 minutes southwest of the campus, is one of the oldest and richest cultural centers of the country, renowned for its symphony, opera, art museums, and conservatories for the arts. It is a center for

educational, medical, botanical, bio-chemical and business research. SIUE is one of four comprehensive universities among more than 20 institutions of higher education in the metropolitan area.

Because the University is part of a metropolitan area, students and faculty can experience the diversions of ethnic restaurants, large retail malls, touring Broadway plays and professional sports; they can enjoy as well the pastoral setting of the campus and nearby state parks, small towns, and historic settlements.

University Accreditation

SIUE is accredited by the Higher Learning Commission of the North Central Association. The University is a member of the Academic Quality Improvement Program (AQIP), an innovative method for maintaining regional accreditation.

Specialized Accreditation

In addition to overall accreditation of the University, many of its departments and schools are accredited by professional agencies, including the following:

- Accreditation Board for Engineering and Technology
- Accreditation Council for Pharmacy Education
- Accredited Council on Education in Journalism and Mass Communications
- American Council for Construction Education
- American Dental Association Commission on Dental Accreditation
- American Speech-Language-Hearing Association
- Association to Advance Collegiate Schools of Business-International Commission on Collegiate Nursing Education
- Council on Accreditation of Nurse Anesthesia Educational Programs
- Council on Social Work Education
- National Association of Schools of Art and Design

National Association of Schools of Music
National Association of Schools of Public Affairs and Administration
National Association of Schools of Theatre
National Council for Accreditation of Teacher Education

In addition, the American Art Therapy Association and American Chemical Society have formally reviewed and approved SIUE's programs as meeting their standards.

Illinois Board of Higher Education Focus Statement for Southern Illinois University Edwardsville

Southern Illinois University Edwardsville serves traditional college-aged undergraduate students, with many commuting from the surrounding areas, as well as older, part-time, and minority students. The campus offers a balance of instruction, research, and public service programs consonant with its role as the only public university in southwestern Illinois. Southern Illinois University Edwardsville also administers the School of Dental Medicine at Alton and operates a center in East St. Louis. In addition to pursuing statewide goals and priorities, Southern Illinois University Edwardsville:

- offers undergraduate programs and masters' programs encompassing instruction in arts and sciences, education, social services, business, engineering, and the health professions in order to improve the quality of life, economy, health care and environment in the greater St. Louis metropolitan area;
- emphasizes graduate-level programs that prepare practitioners and professionals in those fields that are particularly relevant to addressing the social, economic and health-care needs of the region;
- focuses off-campus programs in southwestern Illinois, except in fields such as nursing in which the University is distinctly positioned to offer off-campus completion programs for the central and southern Illinois

areas; addresses the need for dentists in the central and southern regions of the state through its School of Dental Medicine and addresses the need for pharmacists in the central and southern regions of the state through its School of Pharmacy.

University Mission (adopted 2013)

Southern Illinois University Edwardsville is a student-centered educational community dedicated to communicating, expanding and integrating knowledge. In a spirit of collaboration enriched by diverse ideas, our comprehensive and unique array of undergraduate and graduate programs develops professionals, scholars and leaders who shape a changing world.

University Vision (adopted 2013)

Southern Illinois University Edwardsville will achieve greater national and global recognition and academic prominence through innovative and interdisciplinary programs that empower individuals to achieve their full potential.

University Values (adopted 2013)

Citizenship

- Social, civic, and political responsibility--globally, nationally, locally, and within the University
- Active partnerships and a climate of collaboration and cooperation among students, faculty, staff, alumni and the larger community
- Sustainable practices in environmental, financial and social endeavors

Excellence

- High quality learning within and beyond the classroom
- Continuous improvement and innovation
- Outstanding scholarship and public service

Inclusion

- A welcoming and supportive environment
- Openness to the rich diversity of humankind in all aspects of university life
- Respect for individuals, differences, and cultures
- Intellectual freedom and diversity of thought

Integrity

- Accountability to those we serve and from whom we receive support
- Honesty in our communications and in our actions

Wisdom

- Creation, preservation, and sharing of knowledge
- Application of knowledge in a manner that promotes the common good
- Life-long learning

University Statement on Diversity (adopted 2013)

All societies and peoples have contributed to the rich mix of contemporary humanity. In order to achieve domestic and international peace, social justice and the development of full human potential, we must build on this diversity and inclusion.

- Southern Illinois University Edwardsville nurtures an open, respectful, and welcoming climate that facilitates learning and work. Each member of the University is responsible for contributing to such a campus environment.
- Southern Illinois University Edwardsville is committed to education that explores the historic significance of diversity in order to understand the present and to better enable our community to engage the future.

- Integral to this commitment, Southern Illinois University Edwardsville strives for a student body and a workforce that is both diverse and inclusive.

Achieving the Vision: SIUE's Long-Term Goals (adopted 2013)

The primary focus of SIUE's long-term goals is student learning. Achieving the following goals will help students become lifelong learners and effective leaders in their professions and communities:

- **Prepared and Committed Students** – Recruit and engage a diverse student body ready to accept the rigorous challenges of higher education, to persist in academic study, and to become lifelong learners.
- **Innovative High Quality Programs** – Develop and enhance curricular and co-curricular programs to fully support learning and degree completion.
- **Dedicated Faculty and Staff**—Recruit, support, and retain a highly committed and diverse faculty and staff who continually strive for excellence by promoting student learning, producing significant scholarship, and serving multiple constituencies.
- **Supportive Campus Community**—Foster an inclusive university community characterized by integrity, civility, shared governance and openness to and respect for different backgrounds, cultures, and perspectives.
- **Outreach and Partnerships** – Develop and strengthen collaborative relationships to effect positive changes in the university, region, nation and world.
- **Physical and Financial Sustainability**—Develop, maintain and protect the University's assets by practicing and promoting economic, environmental, and social sustainability campus-wide.

For information on achieving the vision, see "Measures for SIUE Long-Term Goals" at <http://www.siue.edu/inrs/factbook/goals.shtml>.

Student Summary

Southern Illinois University Edwardsville serves approximately 14,000 students from all 102 Illinois counties, 41 other U.S. states or possessions, and 45 nations. The University provides on-campus housing for over 3,400 students in either residence hall or apartment style housing and the rest live and work in communities within a 60-mile radius of campus and commute to classes.

Counts — Student enrollment at SIUE has steadily increased since the nineties to an average of 14,000 for the last several years. While undergraduate students have historically comprised three-fourths of the student body, the percentage increased to 82 percent in Fall 2014. Most undergraduates are full-time students and currently comprise 86 percent of the total full-time-equivalent students.

New Students — During the fall 2014 term, 30 percent of undergraduates were new to the University: 19 percent of undergraduates were new, first-time freshmen; 12 percent were new transfer students. Because of the robust transfer rate to SIUE, seniors out-number the other classes with freshmen as the next largest class, and sophomores as the smallest class.

New Freshmen — The ACT composite score for new first-time freshmen has averaged 23 in recent years. Fall 2014 new freshmen averaged 23.5 with the middle 50 percent scoring between 20 and 26. They are typically in the upper third of their high school class, with 19 percent ranked in the upper ten percent.

More than two-thirds of new freshmen begin their SIUE experience living on campus in a residence hall.

Persistence — Typically, over 70% of the students who begin college as freshmen at SIUE return for their second year, and over 50 percent, using a five year average, will graduate from SIUE within six years. Another 14% will transfer to another institution and graduate, while 16% will still be enrolled (entering class 2007 – student achievement measure).

Graduation — Of the students who receive undergraduate degrees from SIUE, most of those who matriculated as new freshmen

completed degrees in four to five years. Transfer students, those who began their college studies at another institution – accounted for 41 to 50 percent of graduates during the most recent five years. Transfer students enter at all class levels and averaged three years to degree.

Graduation information is not available until the end of the year; therefore, data in italics are provisional and will shift as graduation information through Summer 2015 is added.

- NOTES:
- 'N' indicates the number of first-time, full-time freshmen who matriculated in the summer or fall and were enrolled in the fall term (IPEDS GRS cohorts), less IPEDS-allowed exclusions.
 - Bold 'N' indicates change was made per the IPEDS-allowed exclusions.
 - Enrollment in a year is determined at the "fall census point;" graduation is based on that fall through the next summer (IPEDS GRS definition).
 - 'Sum' indicates the percent of students graduated by the end of or still enrolled during the fall of the designated year.

Program and Instruction Summary

SIUE offers programs that meet the needs of the metropolitan area it serves, awarding degrees in 45 undergraduate programs and 71 graduate and professional practice programs. In addition, students may enroll in 58 undergraduate minors and complete the requirements for teacher certification. Programs are offered through seven academic units: the College of Arts and Sciences and the Schools of Business; Dental Medicine; Education, Health and Human Behavior; Engineering; Nursing; and Pharmacy.

SIUE Degrees Support Regional Needs

Teaching — The University makes teaching a top priority. Faculty must demonstrate meritorious performance in teaching to be granted tenure and promotion. Scholarship and service serve as a foundation for exemplary teaching. The results of making teaching a top priority are consistently demonstrated in alumni ratings of faculty, of the high quality of their education, and of its importance to their personal and professional lives. (See pages 56 and 79).

Over eighty percent of the student credit hours at SIUE are taught by full-time faculty, 48 percent by faculty who are tenured or on tenure track. Graduate assistants teach 3 percent of the credit hours.

Who Teaches the Students?

Learning Results -- SIUE, as part of its program assessment process, routinely reviews data gathered from surveys of freshmen, seniors, and alumni. Graduates report that they experienced good teaching practices in their majors (see page 80) and that their undergraduate educations helped develop their reasoning skills, sense of ethics, ability to solve problems and other skills and abilities that are objectives for an SIUE undergraduate education (see page 81). New freshmen and graduating seniors report that they often engage in effective learning practices such as working with classmates to prepare assignments, asking questions in class, and contributing to class discussions (see page 82). SIUE's student learning results are similar to results at other universities (see pages 82 and 83).

Student Learning: Benchmarks of Effective Educational Practice

"Since its inception, more than 1,500 bachelor's degree-granting colleges and universities in the United States and Canada have used NSSE to measure the extent to which students engage in effective educational practices that are empirically linked with learning, personal development, and other desired outcomes such as persistence, satisfaction, and graduation." (NSSE 2013 Overview)

Percent of seniors reporting that they engage in the following effective learning practices often or very often:

Asked questions in class or contributed to class discussions

Worked with other students on course projects or assignments

Discussed course topics, ideas or concepts with a faculty member outside of class

Prepared for exams by discussing or working through course material with other students

Worked with faculty members on activities other than coursework (committees, student groups, etc.)

Prepared two or more drafts of a paper or assignment before turning it in

Percent of seniors reporting courses that had the following effective requirements some, most or all of the time:

A community-based project as part of the course

Student Learning: Benchmarks of Effective Educational Practice (con't)

Percent of seniors saying coursework emphasizes the following mental activities "quite a bit" or "very much:"

Percent of seniors saying they have had or plan to have the following enriching educational experiences:

Faculty and Staff Summary

The University has just over 2,500 employees in faculty, administration, professional staff, and civil service positions. In addition, 538 graduate students provide services as graduate assistants. The number of employees has risen slowly over the last twenty years while the proportion of full-time employees has remained near 85% in recent years.

Funding — Almost two-thirds of SIUE's full-time personnel are funded from state appropriations and income funds as are almost three-fourths of part-time employees and graduate assistants. (See page 89)

Diversity — The faculty and staff of SIUE reflect the diversity of the region. (See pages 90-91)

Faculty — The full-time instructional faculty of the University (see page 94 for a definition) has remained at about the same level for the past six years and part-time faculty peaked at 296 in 2007. The number of part-time faculty has fluctuated in recent years with fall 2014 reflecting an increase from the prior fall.

During the last decade (2004-2014) the demographics of SIUE's full-time instructional faculty have changed. Forty-one percent of the current tenured or tenure track faculty has been hired since 2004 due to the addition of new faculty for the School of Pharmacy, new faculty to support enrollment growth, and faculty retirements. The number of full-time instructional faculty has increased

by eighteen percent while the proportion of women faculty has risen from 43 percent to 49 percent and the percent of faculty tenured or on tenure track has dropped from 80 percent to 75 percent due primarily to an increase in full-time clinical faculty in the Schools of Dental Medicine and Pharmacy.

SIUE has 76% of full-time instructional faculty with doctoral degrees, including Doctor's – Professional Practice.

Current average annual faculty salaries range from \$93,697 for full professors to \$43,390 for instructors. (See pg. 104) Growth of faculty salaries has been limited by constrained state budgets but salaries had steadily risen over the past few years due to institutional commitment. Retirements, paired with new hiring at the entry level, have also contributed to lower growth in average salaries.

Student Workers — In addition to the faculty and staff, the University offers employment opportunities for over 1,570 students. These positions provide experience in many areas, including clerical, technical, professional, service, and sales.

For fall 2013, the decrease in the number of Administrative Title Only positions and the increase in the number of Civil Service (Neg. & Prev) positions is primarily due to the reclassification of multiple positions.
