

INSTRUCTIONAL DELIVERY METHODS

ONLINE ASYNCHRONOUS

A course in which 100% of the work is done virtually with no scheduled class meetings.

ONLINE SYNCHRONOUS

A course that meets 100% virtually but requires regular, scheduled meetings online.

BLENDED/HYBRID

Blended classes combine both face-to-face and online formats. These classes meet in a classroom but also include online component substitutes for a portion of the face-to-face meetings, which might be synchronous or asynchronous.

ON-GROUND, FACE-TO-FACE

A traditional course with in-person sessions, meeting in a scheduled room at a scheduled time. These courses can be supplemented with some online activities.

HYFLEX

A course that is delivered to a set of students in a traditional face-to-face mode, while simultaneously delivered virtually to another set of students during regularly scheduled meeting times.
