

**Kaskaskia College  
Associate in Arts  
PUBLIC HEALTH**

Completion of an Associate in Arts or Science degree at Kaskaskia College fulfills SIUE’s general education requirements, with the exception of an Interdisciplinary Studies course that all students must take during their junior and senior year at SIUE.

This “Transfer Program Guide” is an **example** of proposed curriculum for students to use while completing their associate’s degree. Reading, writing and math placement could alter the course sequencing and transfer date. Therefore students should begin sequencing their reading/writing (if applicable) and math & science courses during the first semester, paying close attention to prerequisites. Students have the option of taking summer classes to lessen fall and spring course loads.

It is highly recommended that students meet with a KC advisor each semester. Please see “**Important Student Notes**” located on page of two of this transfer guide.

| <b>Fall Year 1</b>                            |              |
|---|--------------|
| <b>KC Course</b>                              | <b>Hours</b> |
| ENGL 101 - English Composition                | 3            |
| SPCH 103 - Fundamentals of Speech             | 3            |
| <sup>1</sup> MATH 136 - General Statistics    | 4            |
| <sup>1,2</sup> IAI Life Science               | 4            |
| PHLE 119 - Core Values and Ethical Dec Making | 1            |
| <b>Total</b>                                  | <b>15</b>    |

| <b>Spring Year 1</b>                |              |
|-------------------------------------|--------------|
| <b>KC Course</b>                    | <b>Hours</b> |
| ENGL 102 - English Composition      | 3            |
| <sup>1,2</sup> IAI Physical Science | 4            |
| <sup>1</sup> Elective               | 3            |
| <sup>1</sup> Elective               | 3            |

<sup>1</sup>It is recommended that students wishing to pursue pre-medical or other pre-professional health studies programs upon completion of the Bachelor of Science consult with a KC academic advisor.

<sup>2</sup>One science course must have a laboratory component. Life Science/Physical Science courses may be 3, 4, or 5 credit hours.

**Kaskaskia College**  
**Associate in Arts**  
**PUBLIC HEALTH**

**IMPORTANT STUDENT NOTES**

The preceding information is provided to assist students in the transfer process. In no way does this document substitute for meeting with an academic advisor. Students are advised to meet on a regular basis with advisors at KC. Courses taken through dual credit can be applied to required SIUE coursework; please contact KC advisor for more information. Please consult Kaskaskia College catalog for additional graduation requirements.

Students are required to complete a Bachelor of Science degree. A Bachelor of Science degree will require completion of 8 courses in life, physical, or social science, in addition to 2 courses with a lab component.

**DECLARATION REQUIREMENTS FOR PUBLIC HEALTH**

- An overall GPA of 2.5 in other transferable work
- Grades of "C" or higher in ENGL 101 and ENGL 102
