¹Students need a course that meets SWIC's Non-Western graduation requirement. Please see advisor.

*Students must complete 50% or more of degree requirements at SIUE.

²MATH 107 recommended.

³AOJ 151, 153, or 251 may substitute for any of the above AOJ classes.

Although a minor is not required for students who major in CJ, it is strongly recommended that students consider one.

Options include double major, double minor, or a single minor. Courses taken at SWIC to meet general education requirements (including electives) can be used for the minor(s) or additional major. Students should plan early for any of these options.

*A course that satisfies both the ERGU and EREG requirement will only be counted as one and not both.
