X	This project deals with community outreach.	
	This mentor's project is interdisciplinary in nature.	I

Are you willing to work with students from outside of your discipline? If yes, which other disciplines?

- No

How many hours per week will your student(s) be required to work in this position?

(Minimum is 6 hours per week; typical is 9)

- 9

Will it be possible for your student(s) to earn course credit?

- Yes; 3 credit hours of PSYC 491

Location of research/creative activities:

- Psychology research lab AH0139 and Madison County Juvenile Detention Center

Brief description of the nature of the research/creative activity?

Students will complete literature reviews on various topics as well as supervise other lab students in implementing a relaxation skills program to detainees in the Madison County Juvenile Detention Center.

Brief description of student responsibilities?

Students will complete literature reviews on various topics as well as supervise other lab students in implementing a relaxation skills program to detainees in the Madison County Juvenile Detention Center.

URCA Assistant positions are designed to provide students with *research or creative activities* experience. As such, there should be measurable, appropriate outcome goals. What exactly should your student(s) have learned by the end of this experience?

Students will gain experience conducting literature reviews as well as supervising other lab students who are implementing a relaxation skills program to detainees in the Madison County Juvenile Detention Center.

Requirements of Students

If the position(s) require students to be available at certain times each week (as opposed to them being able to set their own hours) please indicate all required days and times:

- Students must be available MWF or TR 2:45-4 pm and Thursday 1:15-2:30 pm.

If the location of the research/creative activities involves off campus work, must students provide their own transportation?

- Student must have their own transportation to go to detention center.

Must students have taken any prerequisite classes? Please list classes and preferred grades:

- Previous experience with my research lab PSYC 491

Other requirements or notes to applicants:

- None
